Dear Union Brothers and Sisters:

I am pleased to announce that effective **Thursday, July 1, 2021** Cement Masons Local Union No. 500 will reopen and resume regular business operations providing the pandemic tiers remain within the CDC guidelines. I would like to thank you for your patience during these past 16 months of having to conduct your Union business by telephone. I would also like to offer my deepest condolences to anyone who has lost a loved one due to the Coronavirus pandemic.

Guidelines will still be implemented as you enter the office; your temperature will be checked upon entering. You will still need to wear a mask at all times while inside the office regardless if you have been vaccinated or not. **Under no circumstances will cash be taken for payment of union dues whether you pay in the office or you pay a Business Agent in the field.**

Office hours will resume back to the normal schedule **6:00am-4:00pm Monday through Thursday** and **6:00am-3:00pm on Friday; closing for the lunch hour 11:30am-12:30pm Monday through Friday.** Union meetings will also resume every second Thursday of the month, with the first meeting - July 8, 2021 at 6:00pm. Social-distancing of at least 6-feet will be required and masks must be worn during the entire meeting, this is for your safety and the safety of your Local Union Officers and fellow union brothers and sisters in attendance at the meeting.

Should you have any questions regarding this notice, please feel free to contact the main office during normal business hours.

As always I remain,

Fraternally yours,

*Jack Alvarado*
